

INTERESTED IN SAFETY FOR AVELEY PRIMARY KIDS? **IT'S EASY TO HELP AND YOU COULD MAKE A DIFFERENCE**

Safety House is a community based “Good Neighbour” program of volunteer householders organised by a local Safety House Coordinator. It’s easy to be a Safety House, it will cost you very little to obtain a three year Working with Children Card and you could be doing something important to help protect vulnerable young children in your local community.

The Safety House program of community child safety is supported by WA Police, WA Education, local Councils, Primary Schools and P&C/P&C Associations.

You can make a difference for kids in your local community.

WHO CAN BE A SAFETY HOUSE?

A Safety Householder must be a caring adult who is usually in, around or near their home during school travel times. You should be ready and willing to cheerfully assist any young child who might seek help at your door.

This is to make sure that a child in need will find someone at home if they knock on the Safety House door for help.

Your house must have easy street access to the front door, no screening walls or trees and a Safety House sign easily visible from the street. If you have a dog that is not a problem but it should safely inside the house, secured at the rear of the building or kept well under control of the Safety House person.

This is to make sure that a young child will be able to find the Safety House door easily and will not be frightened away.

In every Safety House there must be at least one adult who holds a valid Working with Children Card. If necessary, the Safety House WA Office can help you complete a Safety House WA application form and assist you to apply for a Working with Children Card. Also, every resident aged fourteen and over must give consent for Safety House WA Inc. to request a National Police Check Certificate if it is considered to be necessary.

We need to make sure that the person who answers the door to a child at a Safety House has been carefully checked out.

For more information please look at the Safety House website www.safetyhousewa.org.au or fill in the slip below and hand it to your local Primary School Office.

If you have any questions you can email Safety House WA at safety@safetyhousewa.org.au
